 Jin is very tall, but he's also very clumsy. He often bumps into things, and drops his books.

THINK

Are you
clumsy?

The other children laugh at him.

Make a flip book

You need:

a pad of sticky notes or a notepad

a pencil

a rubber

- 1 Draw a person, a ball and the ground on the last page.

- 2 Turn to the next page. You can see the person, the ball and the ground through the paper. Draw over them, but move the ball a little bit.

- 3 Do the same 10 more times. Make the ball move across the page. You can make the person move, too! Small movements are best.

- 4 Flip your book. Can you see the ball move?

CAN YOU MAKE DIFFERENT FLIP BOOKS?
