

1 Read and label the correct dragon.

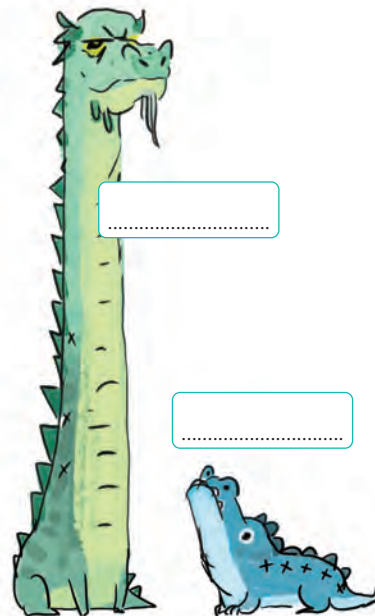

A small

B slow

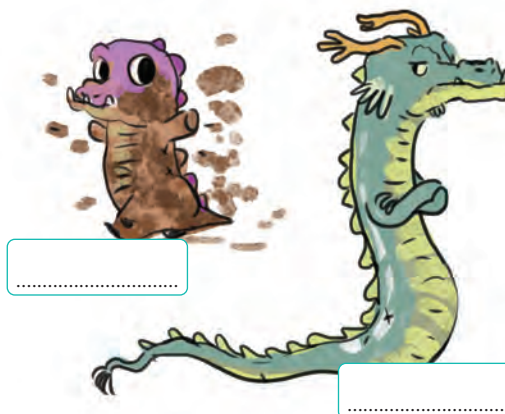

C tall

D old

E clean

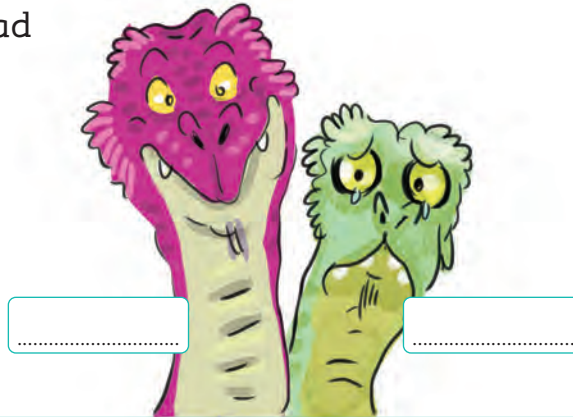

F sick

G afraid

H sad

2 Find the opposites and label the other dragons.

dirty brave fast healthy
young happy big short

Little Red was a dragon.
She was small, fast
and very, very red.
When she flew across
the sky she looked
like a comet lighting
up the forest below.

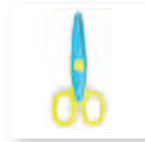

The forest was very big and very dark.
Tall trees covered the land as far as you could see.
Little Red lived with her family in a mountain,
deep inside the forest.

THINK

What is a comet?

Make tangram animals

You need:

scissors

- 1 Download the template. Cut out the seven shapes.

- 2 Look at this dragon picture. Can you make the picture with your tangram shapes?

- 3 Try to make these animals. Can you make more?

- 4 Show your animals to a friend.

Is it a dragon?

Yes, it is!
