Play Station Project

Sand Bottles

Make a sand bottle for your family.

You need:

sand

coloured chalks

a clear plastic bottle

wax/baking paper

a funnel

- 1 Put some sand on the wax/baking paper. Roll a piece of coloured chalk across the sand until the sand changes colour.

- 2 Pour the coloured sand into the bottle. (You can use a funnel.)

- 3 Choose another chalk and colour some more sand, then pour it into the bottle.

- 4 Repeat 2 and 3 until your bottle is full of different colours of sand.

- 5 Press the sand down and fill your bottle completely. Put the lid or cap on the bottle. Close tightly.
