

## Peaceful Heaven Bound

1. Oh hear the sound of silence,  
 humming all around,  
 calling for solemnity,  
 peaceful heaven bound,  
 peaceful heaven bound.

2. And light blows out the darkness  
 from your tired mind,  
 calling for solemnity,  
 peaceful heaven bound,  
 peaceful heaven bound.

Have confidence forever  
 in your hand in hand,  
 calling for solemnity,  
 it shall never end,  
 it shall never end.

Oh hear the sound of silence,  
 humming all around,  
 calling for solemnity,  
 peaceful heaven bound,  
 peaceful heaven bound.
